ADMINISTRATIVE ITEMS

Admin 1: The Board authorized the advertisement of a public hearing on January 27, 2015, to consider a proposed comprehensive agreement among the Board of Supervisors, Lake Anne Development Partners, LLC, and Community Preservation and Development Corporation for **the redevelopment of the Crescent property and other parcels in the Lake Anne Village Center**.

ACTION ITEMS

Action 2: The Board approved adjustment to **the Fairfax Center, Centreville, Tysons, Tysons-Wide and Tysons Grid of Streets Road funds**. The adjustments are needed to compensate for inflation and to keep pace with increases in construction costs for which the fund areas were established.

BOARD MATTERS

John Greer Case: Chairman Bulova introduced a motion that directed the County Executive to work with the Virginia Attorney General's office to initiate a search for independent expertise in the field of Police Department operations, and specifically, in the area of policies and procedures with respect to information disclosures in the case of police-involved shootings and other serious incidents. The County Executive also was directed to identify an available funding source that would enable the Board to retain such expertise with a goal of securing a contract within the February/March timeframe. I will have more to say on this later this week in the upcoming ***Hunter Mill Highlights*** newsletter.

BOS Salaries: The Board authorized the advertisement of a public hearing to take place on January 27, 2015 to consider a compensation increase for the Board of Supervisors. The increase would raise board salaries to \$95,000 and \$100,000 for the board chairman, effective January 1, 2016. Board members currently make \$75,000 per year.

The board endorsed the naming of the Wiehle Avenue-Reston East Metrorail Station Bicycle Parking room after Fairfax County's first Bicycle Program Manager, **Charlie Strunk**.
